Sir:

Submitted herewith on Form PTO/SB/08 is a listing of documents known to Applicants in order to comply with Applicants' duty of disclosure pursuant to 37 CFR §1.56.

A copy of each non-U.S. patent document and each non-patent document is being submitted to comply with the provisions of 37 CFR §1.97 and §1.98.

The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or that such document is considered material to patentability as defined in 37 CFR §1.56(b). Applicants do not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* art reference against the claims of the present application.

This statement should not be construed as a representation that a search has been made, or that information more material to the examination of the present patent application does not exist. The Examiner is specifically requested not to rely solely on the material

submitted herewith. It is further understood that the Examiner will consider information that had been cited by or submitted to the U.S. Patent and Trademark Office in a prior application relied on under 35 U.S.C. § 120. 1138 OG 37,38 (May 19, 1992).

This Information Disclosure Statement is being filed; before the mailing of a first Office Action after filing of a request for continued examination under § 1.115. No statement under 37 C.F.R. § 1.97(e) or fee is required.

Applicant notes that Kanoh et al was listed on the Form PTO/SB/08 submitted on 16 December 2011, but the PDF copy of the article was inadvertently omitted. A copy of Kanoh et al is submitted herewith.

Applicant also notes that the Non-Patent Literature Document No. 4 of the 16 December 2011 IDS contains a typographical error in the author's name. The author Bacher, was mistakenly presented as Barcher. Applicant respectfully requests the Office to correct the typographical error in NPL Document 4 of the 16 December 2011 Form PTO/SB/08.

It is respectfully requested that the Examiner initial and return a copy of the enclosed PTO/SB/08a, and to indicate in the official file wrapper of this patent application that the documents have been considered.

The U.S. Patent and Trademark Office is hereby authorized to charge any fee deficiency, or credit any overpayment, to our Deposit Account No. 50-4279 referencing docket number OXGN-019.US1.

Respectfully submitted,

Date 17 February 2012
